Mr. Jeremy Larson, Superintendent

February 12, 2018

Dear Parents and Community Members:

The Paris Union School District No. 95 learning community has the distinct privilege of welcoming two new school leaders into our team. In the 2018-2019 school year, Mrs. Megan Carroll will be serving as the building principal at Carolyn Wenz Elementary School, and Mr. Kyle Shay will be serving as the building principal at Mayo Middle School. Their passion and values set them apart as exceptional leaders for our children.

Last year our learning community developed a two-year strategic plan titled, *The Strong Schools, Strong Community Partnership*. Paris 95 recognizes that when our schools are strong, our community will grow stronger too. It is through our partnership that we develop the village that supports our children. The school leaders and faculty are dedicated to carrying out our five core principles:

- Providing ambitious instruction
- Supporting services for all students
- Ensuring wellness and safety
- Committing to the community
- Enhancing student activities

Thank you for sharing in this exciting time with us at Paris Union School District No. 95. Your partnership and continued support is what sets our district apart as a premier service provider for all students. In the coming months, the district will be reaching out to community groups and hosting events for students, parents, and faculty to meet our new school leaders. It is our goal to ensure the transition of our leadership is smooth and successful at all schools. If you have any questions, please reach out to Mr. Larson at (217) 466-3050.

Thank you for your support!
